For those of you just making an enquiry, below is a resume of our usual day out on a trip to watch a match at Old Trafford.

Full information regarding our constitution is elsewhere on our website, but our simple aim is to provide you with a pleasant day out in a family friendly environment.

- A typical day starts with an early departure from the Tamar Bridge and, for the small number of times that our game kicks off at 3.00 pm, this will be at 6.30 am. For other kick-offs, times are adjusted accordingly.

- After some Plymouth based pickups, we travel on to Exeter Services where the final travellers get on board.
- The steward of the day can then join others in a snooze before stopping at Strensham Services for a 30 minutes break, (this can vary, dependant on progress made). This allows everyone to stretch their legs, grab a drink, or even a meal.
- We are then back on the coach heading for Old Trafford.
- You may then settle down, take part in our free match day quiz, and enjoy the banter that arises.
- Then comes the serious matter of parting with a £1 coin for your entry into the first goal scorer competition, predicting the time of the first goal and the final score – a cash prize is available for the winner.
- Before you know it, and traffic permitting, we are approaching the ground with plenty of time for:
 - A quiet pint in our favourite theatre bar on Salford Quays or a visit to a nearby pub with big screen to watch the early Sky game.
 - A not so quiet pint and a singsong in one of the busy pubs near the ground.
 - A visit to the megastore for some official merchandise or a look at the various street stalls.
 - A cup of tea and a few chips.
 - A look around the War Museum or shopping arcade on Salford Quays.
- **There are so many possibilities, but get into the ground early to soak up the atmosphere.**
- Before you get off the coach, the coach steward will give out final instructions /directions.
- Remember ours is a family club, so no alcohol on board the coach.
- After the game, it's straight back to the coach and the start of the homeward journey.
- There is a 20 minute comfort break at Strensham, usually leaving there around 20.45 - 21.00 and arriving back at the Tamar Bridge just before midnight.

Yes, it's a fairly long day, but you just can not beat the experience of a live match at Old Trafford.

We look forward to meeting you on one of our trips.

Best regards,
The Committee.
